

SCAN TO FIND
OUT MORE ABOUT
CAMP

From day one, the passion for leadership, finding opportunities in cooperatives and with electricity, and overall this camp's ability to connect youth to each other had an incredible impact on me. Camp was an extraordinary opportunity, which improved my leadership abilities and also my understanding of cooperatives.

COOPERATIVE YOUTH LEADERSHIP **CAMP**

The leadership speakers at camp seemed to really connect with all of us. Each taught leadership skills in different and interesting ways. I will be using each lesson when I return to school in August.

The case of making friendships at camp has inspired me to put myself out there. I hope to take more initiative to spend more time with friends from home and put effort into making new ones.
